GOVERNANCE ARRANGEMENTS and SCHEME OF DELEGATION

3. Role of the Board of Trustees

- 3.1 The trustees have overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishing and running of academies. This is affected through strategic planning and the setting of policies. It is managed through business planning, monitoring of budgets, implementation of quality management processes, performance management of senior staff and holding to account those to whom functions of the Trust are delegated. The trustees have the power to direct change when required.
- 3.2 The trustees have a duty to act to fulfil the Trust's objectives, and will take into account the interests of each academy in agreeing and implementing any policy or exercising any authority in respect of an individual academy. The trustees are mindful of the uniqueness of each academy and will respect and support the ambitions of each. They will also put in place measures to support an individual academy should there be a need.
- 3.3 The Board is responsible for appointments to the senior leadership team of each academy.
- 3.4 The Board will approve Trust and academy policies to cover all aspects of the Trust's work. As far as possible, policies will cover all academies in the Trust. If this is not possible by reason of individuality, academy policies will be approved. These policies are the basis of the Scheme of Delegation and clearly outline who has responsibility for a particular action.

3.5 The strategic role of the Board

- 3.5.1 The Board of Trustees will develop the vision for the Trust and a strategic plan to deliver that vision.
- 3.5.2 The trustees will approve a strategic framework for each academy (consisting of the aims, objectives, curriculum, policies and targets), which will contribute to delivery of the strategic plan of the Trust, and will do so with advice from the Chief Executive Officer (CEO) and Executive Headteacher / Heads of School and leadership teams of the academies.
- 3.5.3 The Board of Trustees will act as a critical friend to the CEO, Executive Headteacher and Heads of School of each Academy, providing support and constructive criticism.

3.6 The monitoring role of the Board

- 3.6.1 The trustees have a system to monitor and evaluate progress towards achieving the objectives and targets (see Governance Framework, Appendix 1), and may review the strategic framework in light of that progress.
- 3.6.2 The Board of Trustees will monitor and review the policies that have been adopted.

Bay Education Trust

GOVERNANCE ARRANGEMENTS and SCHEME OF DELEGATION

- 3.6.3 Trustees are not responsible for collecting monitoring data themselves, but have a responsibility through visiting the academies to assure themselves of the accuracy and completeness of that data.
- 3.6.4 The trustees must always be confident that they have sufficient information to inform the decisions they make with respect to the strategic framework.
- 3.6.5 The Board has delegated authority for some aspects of its work to sub-committees of the Board: the Performance, Standards and Curriculum Committee, the Finance and Resources Committee, Audit and Risk Committee. The powers delegated to these committees are as outlined in their terms of reference.

3.7 The role of the Board of Trustees as a critical friend

The trustees shall act as a critical friend to the CEO, Executive Headteacher and Heads of School. This shall include but not be limited to:

- 3.7.1 Support: the trustees have an obligation to support the CEO and Executive Headteacher/Heads of School but this shall not be unquestioning, uncritical support. Trustees should constructively and courteously challenge them as a corollary to providing that support.
- 3.7.2 Constructive criticism: the trustees will provide the CEO, Executive Headteacher and Heads of School with constructive, considered criticism when appropriate. This will always be done in a professional manner and, if so wished by the trustees, through the Chair of the Board.

4. Role of the Chair of the Board of Trustees

- 4.1 To give a clear lead in planning and organising the work of the board and to ensure there is a real strategic partnership between the Board and senior leadership teams of the academies.
- 4.2 To appropriately delegate work to the trustees, ensuring that they are fully involved in the work of the Trust and that their skills are put to best use on behalf of the Trust.
- 4.3 To effectively manage the meetings of the board and ensure that the best use is made of the time available.
- 4.4 To meet regularly with the CEO, Executive Headteacher and Heads of School as necessary. It is essential to the success of the Trust that the Chair and CEO have a relationship of mutual trust and are able to maintain a level of trust and understanding between the trustees and the CEO.
- 4.5 To ensure other trustees are kept fully informed.

Bay Education Trust

GOVERNANCE ARRANGEMENTS and SCHEME OF DELEGATION

- 4.6 To be the representative of the Board and meet with third parties to support the Trusts activities. This may include staff, parents, students, the Regional School Commissioners Office, Education and Skills Funding Agency (ESFA) and other local and national agencies.
- 4.7 The Chair shall have powers to make decisions on behalf of the Board of Trustees in the event of an emergency. The Chair may also be given other delegated powers with the approval of the Trust Board. If the Chair is not available the Vice-Chair may assume this authority. The Education (School Government) (England) Regulations 1999 grant such emergency powers to chairs of local governing bodies of maintained schools. This does not apply to academies but the Board of Bay Education Trust has agreed that the Chair may exercise any function of the Board which is able to be delegated but ONLY if:
- 4.7.1 A delay in exercising that function would be likely to be seriously detrimental to the interests of the Trust or an academy, or to the interests of any pupil registered at an academy, or their parent, or a person employed in the Trust AND
- 4.7.2 It is not reasonably practicable to call an emergency meeting of the Board of Trustees (or a committee to which the function has been delegated) in time to deal with the issue in question.

4.8 Election of the Chair and Vice-Chair of the Board of Trustees

In accordance with the Articles of Association, the trustees are obliged to appoint a Chair and Vice-Chair at the first meeting of each academic year.

- 4.8.1 Any trustee other than the CEO may nominate themselves to be the Chair or Vice-chair.
- 4.8.2 In the event that there is more than one candidate the decision will be made by secret ballot after each candidate has presented their case for the appointment and answered any questions put to them by the other trustees.
- 4.8.3 The ballot for Chair shall be conducted by the clerk to the Board after the candidates have left the room.
- 4.8.4 In the event of a tie, a second round of voting will be held and if there is still a tie, the candidates will draw lots
- 4.8.5 The newly appointed Chair will, if necessary conduct a similar ballot for the role of vice-chair.

5 Role of the trustees

- 5.1 Each trustee brings important and differing skills to their role depending on their professional background. The members appoint new trustees with a view to ensuring that a broad range of necessary skills are available to the Board.
- 5.2 No individual has authority to make decisions on behalf of the Board other than as outlined in 3.7 above or has been expressly delegated by the whole Board.

Bay Education Trust

GOVERNANCE ARRANGEMENTS and SCHEME OF DELEGATION

- 5.3 Trustees should be mindful in their dealings with third parties that their views may be relied upon by the third party. They must be clear whether they are expressing personal or Trust views and no promises or assurances should be made on behalf of the Trust without the approval of the whole Board.
- 5.4 Trustees should pay heed to the requirements of the Companies Act 2006 with regard to written communications. All such business related communications, including emails, must include the company name, registered number and registered office address.
- 5.5 All decisions made by the Board are group decisions. A Board member may vote against a decision, and may request that their objection is noted in the minutes, but once a decision is made the Board will stand by that decision as a united body.
- 5.6 If approached by a parent, staff member or other third party, trustees should make it clear that they have no power to make individual decisions on behalf of the Board and in becoming involved in individual matters may put at risk the appropriate complaints or appeals process.
- 5.7 The trustees will undertake regular training to ensure they retain the necessary skills to perform their duties.
- 5.8 Trustees should be familiar with and abide by the approved Trust and academy policies in all matters.
- 5.9 Each trustee will be appointed to at least one committee and is expected to work with the academies to ensure the business of the Trust in their area of interest is being effectively delivered. The trustees will make regular reports to the board, so all trustees are fully aware of the key issues and plans being put in place to address them and the effectiveness of these plans.
- 5.10 The portfolios held by trustees include:
- Performance, Standards and Curriculum including Attendance
 - Safeguarding and Looked after Children
 - SEN and Behaviour
 - Finance and Resources
 - Audit and Risk to include Estates and Health and Safety
 - Leadership and Management
- 5.11 Each trustee undertakes to be aware of the key components of the Ofsted inspection framework and the regular updates thereof, as any trustee may be called upon to meet inspectors as part of an inspection visit at any of the Trust academies.
